With community support and involvement from those that believe in The Arts Center's mission of "providing exceptional arts education and making fine art accessible and exciting to our community", we can develop programs that reach a diverse group of our citizens. Clemson is fortunate to have a state of the art building with studios, art gallery, auditorium, and retail spaces that help bring fine art to our community. We are dedicated to providing education and art experiences to all ages.

Yes! I want to support
The Arts Center!
